Statement Guidelines

1. Submissions must include an artist's statement.
2. Statements must be at least a paragraph long.
3. Statement can be no more than 500 words.
4. Statements should explain the medium of the submitted artwork and how it was created.
5. Statements should further include the message of the submitted artwork, and how it reflects the theme of caring for water.
6. Statements may include additional information if desired.
7. If you have a question about the statement or accommodations, please contact us at tapintolearning@calwater.com.

Submission Guidelines

1. Submissions must be signed by participant's legal guardian.
2. Individual submissions should be mailed to:
California Water Service
A Splash of Creativity
ATTN: Conservation Department
2632 West 237th Street
Torrance, CA 90505
3. Submissions will not be returned.
4. Photographs of student artwork are accepted and should be no smaller than 8" x 10".
5. Classroom submissions can be submitted online by participant's teacher with guardian consent.
